**OPERATING AS USUAL**

Our Mission Build better, richer and happier lives - every pizza, every experience for every awesome customer demanding the best. About PLP Founded in 2009, Peace Love and Pizza was born out of our love for everything cool. Handcrafted food and family-oriented experiences: that's just what we do. Our passion for providing high-quality service—not to mention our favorite music—has inspired us to create a different kind of pizza, one that defies the boring chain guys with rockin' family experiences. We're here to rescue taste-deprived peeps in search of the perfect pie. A mouthwatering fusion of Northeast- and California-inspired flavors, PLP welcomes customers with open arms that say, "Relax and welcome home." There's no need to ever settle for less again. The food we prepare is set apart by LOVE. By listening to customer and employee feedback, we've launched a special kind of brand, one that cares about more than the bottom dollar. Let's put it this way, if we won't serve it to our mothers, we won't serve it to you. If all you want is the best cheese pizza you've ever tasted, we got you covered. If you're more of an original, try one of our specialty Jam-Up pies—crazy unique creations with amazing sauce and topping combinations that will leave your mouth craving for more. We slice our sub meats, marinate our fresh-baked wings, and prepare our peaceful salads all by hand. Our food just might be the freshest you ever tasted, and that's just truth. Because we know that you give your business to people who care, we only hire happy, friendly people that genuinely care about the PLP customer. If you EVER want to give us feedback, call one of our general managers or follow us on Facebook and Twitter. We always listen and do our best to make every order better than the last. Expect person-to-person service. We would never hand a pizza over the counter and miss the chance to personally deliver our food to you. Enjoy artistic themes while listening to rock music in our crazy, cool dining rooms. Or just sit back, relax, and let the PLP Family bring it straight to your doorstep. Either way, you'll taste the love that Peace Love and Pizza is all about. Have A Peaceful Day! The PLP Cruel
