OPERATING AS USUAL

Our frozen pizza is hand tossed with homemade dough, homemade pizza sauce and the freshest ingredients that we can find. It is carefully prepared by hand, packaged and frozen with in hours of making. The crust that we make is par-baked, cooled and then turned into a flavor packed gourmet pizza that you cook. We strive to make great pizza by using fresh ingredients, no preservatives, no artificial colors or flavors and the understanding that if you can not find it in your kitchen then it doesn't belong on the pizza.
